

 Mas a mãe e o pai pensaram numa

 surpresa: levá-las de comboio, numa altura mais

 calma e com pouca gente.

 Comprámos o bilhete e elas disseram a

 idade ao revisor! Ficaram todas contentes! Depois,

 guardámos os bilhetes e esperámos pelo

 comboio. Quando chegou, fez muito barulho mas elas

 não  se  assustaram  porque  já  tinham  ido  
 à estação  e  sabiam  que  aquele  barulho  
 era  o  som  do  comboio.

 Dentro do  comboio,  sentaram-se  num  lugar  à  
 janela  e  olharam  para  paisagens  lindas!  O  
 revisor  furou  os  bilhetes  e  foi  engraçado  
 ver  o  furo.  Tivemos atenção  para  não

  
 perder a nossa saída e descemos com muito

  
 cuidado.

  
 Sabemos agora que andar de comboio é muito

  
 divertido! E queremos repetir!

  
 Um segredo:

  
 ir no comboio rápido é muito mais divertido!
